

AMAZING GRACE

In Cinemas July 26

Amazing Grace tells the story of a young British politician who over two decades fought against the English government to abolish slave trade.

Inspired by his close friend and mentor John Newton, William Wilberforce passionately campaigned for the rights of freedom for all people. His story is brought to life by Bristol Bay and Walden Media and comes to cinemas around Australia on July 26.

Heritage HM is thrilled to be involved in the distribution of Amazing Grace throughout Australia. For every person who attends a Group Booking of Amazing Grace, we're offering a \$10 DVD discount voucher to be redeemed against the purchase of one of our three new DVD releases.
